Sir:

Applicants hereby voluntarily disclose the references listed on the attached Form PTO-1449 to the Commissioner of Patents and Trademarks.

This disclosure supplements the previously filed Information Disclosure Statements. The references listed on the attached Form PTO-1449 only recently became known to an individual associated with the filing or prosecution of the above-identified application.

Applicants further reserve the right to establish the patentability of the claimed invention over the listed information should it be applied as a reference, and/or to prove that the cited information may not be prior art, and/or to prove that the cited information may not be enabling for the teachings it purports to offer. This statement further should not be construed as a representation that an exhaustive search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present

Application. The Examiner is specifically requested not to rely solely on the information submitted herein.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449 and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

Respectfully submitted,
